

# The Inductive Bible Study Method

Verse or passage I'm studying: \_\_\_\_\_

## Observation: What does it say?

Take notes on things you've observed, themes you've discovered, important words and phrases, new words and definitions, and questions you have.

---

---

---

---

---

## Interpretation: What does it mean?

Look up cross references, think through the big redemptive story of Scripture, and consult trustworthy commentaries.

---

---

---

---

---

## Application: What does it mean for me?

What does the text tell you about God? How should you respond to this God? How should your thoughts, desires, beliefs, and actions change because of what you've learned?
